

We are looking for **members of the public, their family members & health care professionals** to contribute to a research project aimed at identifying effective treatments for reducing **alcohol consumption**

- **Have you been trying to reduce your alcohol consumption?**
- **Are you willing to share your journey with us?**
- **Do you have experience supporting people with drinking problems?**
- Can you attend up to 4 online workshops?

Why Joining Us?

Contribute meaningfully towards improving people's quality of life
