

# Experience of eczema?

We are looking for members of the public who want to help design and run research studies that answer questions about living with eczema

## Join the Rapid Eczema Trials Science Community

By signing up to our mailing list, you will be kept informed about the latest developments with the Rapid Eczema Trials project.

You will also be able to share your views and vote for the questions that you think are most important for you and your community.

**visit us at: [RapidEczemaTrials.org](https://RapidEczemaTrials.org)**

*Together we can make a difference  
to how we understand and treat eczema.*
