

# IMPERIAL

## Are you interested in joining a group to discuss how we collect data in clinical trials?

Imperial Clinical Trials Unit is based in White City London and runs a range of clinical trials. We are forming two groups to **share their views** on different ways of **collecting data** in clinical trials (such as medical records, smart watches, or questionnaires). These discussions will help design a public survey.

	In-Person (London Only)	Online (UK-Wide)
First Meeting	Monday 13 <sup>th</sup> January 11:00-13:00 <b>or</b> Tuesday 21 <sup>st</sup> January 16:00-18:00	Wednesday 15 <sup>th</sup> January 11:00-13:00 <b>or</b> Thursday 16 <sup>th</sup> January 16:00-18:00
Second Meeting	Late March 2025	Late March 2025
Third Meeting	Winter 2025 (online)	Winter 2025

We are interested in getting opinions from a diverse group of public partners. We welcome people who:

- ✓ Have **taken part in a clinical trial** including trials that did not require a visit to a hospital or GP practice.
- ✓ Have an **interest in how health data is collected and used**.
- ✓ Are comfortable **sharing their opinions** and contributing to group discussions.

Members will be paid £25 per hour for their time. Travel expenses within London will be covered, and refreshments will be provided for in-person sessions. Internet connectivity will be compensated for online sessions.

To register interest please fill out the form or contact: Annie Wright, PhD student at Imperial, Email: [annie.wright@imperial.ac.uk](mailto:annie.wright@imperial.ac.uk), by 16<sup>th</sup> December and informal chats will be held on the 17<sup>th</sup> /18<sup>th</sup> December. You will only be contacted if successful.
