FOCUS GROUP DISCUSSION

Topic:

Future Care Planning after a broken bone

We're looking for individuals with firsthand experience navigating medical decisions, care coordination, or support planning following a broken bone—either for themselves or a loved one. Your thoughts can help improve future care for others.

***Let your
voice be
heard***

What's involved?

- One 60-minute meeting via Microsoft Teams
- Small group of 4-5 participants
- Deadline to join: 12 September 2025
- Payment: £25 per meeting (national guidance rates)
- Location: UK-wide (join from home!)

What support is offered?

We will provide background information, and any materials needed in advance of the meeting, and support during meeting, and regular updates. Any additional support needs can be discussed.
